

Quest for the Castle **By Christina**

I have a family. I love my home. It is cozy. One day my mom told me to go to the castle to take some maple syrup to the Queen. I did not want to leave my home, but I did it. It is an adventure. I went through cold and hot and wind. Then I got to the castle. I gave the maple syrup to the Queen. She was very happy. She gave me a ride in the carriage with a unicorn pulling it. I got home safely. My mom said, "You have to go to bed because you have school tomorrow and tomorrow it is your birthday."
