

THE BROOMFIELD BULLETIN:
UPCOMING EVENTS AND ANNOUNCEMENTS

DR. VANESSA EWING
WEEK OF: APRIL 13TH 2009

Dear Parents,

We enjoyed a week of diverse weather and programming at Broomfield Academy. Students worked with staff from the Butterfly Pavilion, sang songs about perseverance with Beth Epley, and spent their recess times in a variety of locations (the Den, on the outside playground, and in their classrooms). If we continue our annual tradition, we should expect some wild weather fluctuations this upcoming Wednesday during our Spring Program at the Broomfield Library Auditorium as well! I look forward to seeing you next Wednesday evening. I hope you have a nice and cozy weekend with your family.

Kind regards, Dr. Ewing

Operations and Facilities Column

The school hosted open houses for interested and prospective families last Saturday and twice this past Tuesday. There was good attendance at all three events and on both days. Attendees included families currently attending private school and public school as well as a few that are currently home schooling. There was a noticeable increase in attendance from families inquiring about the upper grades, 2nd-6th (in the past, the majority of open house visitors have been looking at JK-1st). Thanks to current families for the many referrals for both the summer and for the fall.

Contracts are being sent out to families that will be at Broomfield Academy this summer and next year.

Three new Broomfield Academy banners were put up this week. The large sandbox was cleaned out and sanitized. Preparations were made for this week's expected snowfall. Other projects included staff and schedule planning for the summer and for next academic school year, work on teacher contracts and other HR preparation work, another review of the multiple room configuration options for the fall (to assure that 1st and 2nd grade have larger rooms and to maintain small class sizes in all rooms, including JK).

This week we held our regular school board meeting during which we reviewed programs, staff development, operational and facilities programs and other school business.

Please feel free to contact me or the front office with any questions, concerns or suggestions you might have. My email address can be found on the school website. Michael
