

THE BROOMFIELD BULLETIN:
UPCOMING EVENTS AND ANNOUNCEMENTS

DR. VANESSA EWING
WEEK OF: APRIL 20TH 2009

Dear Parents,

I hope you enjoyed our Spring Program last evening! I have never seen so many students and families at one of our programs. It gives me tremendous pride to watch both our students and our school continue to grow. Thank you for sharing the evening with us by enjoying the *Character Matters II* performance of our students. We will see you on Tuesday after our last staff development trainings of the academic school year. Enjoy your upcoming weekend.

Kind regards, Dr. Ewing

Operations and Facilities Column

New sand toys have been purchased and will be placed in the sand box area on April 24. Work was done to prepare the building swamp coolers for operation. Electrical work done this week included replacement of outdoor security lights and photosensors on the east side of the school, replacement of 3 exit signs (K, computer, 2nd), replacement of outlets in the 5th grade room, the addition of an outlet and light in the farmhouse and the addition of a thermostatically controlled wall-mounted heater in the pool pump room to prevent frozen pipes in the 3-6th grade room and in the pump room. Further work was done to further refine pool upgrade plans and to determine the specifics of the costs involved.

Please feel free to contact me or the front office with any questions, concerns or suggestions you might have. My email address can be found on the school website. Michael
