**BROOMFIELD
ACADEMY**

Dear Families:

I had fun this week with our students, enjoying the sun, rain, and snow during our ever-changing spring weather. Next week, I hope you will join me as we recognize our terrific teachers during Teacher Appreciation Week. I feel very fortunate to work with such nurturing and skilled teachers. The children at Broomfield Academy have benefited from their dedication.

We are pleased to announce and welcome Broomfield Academy's new Principal, Pat Garner. You will find information about Mrs. Garner in our Operations and Facilities Column. I am looking forward to working with Mrs. Garner during the transition.

Have a fun and enjoyable upcoming weekend.
Kind regards, Dr. Vanessa Ewing

Operations and Facilities Column:

The process to select and hire Broomfield Academy's next Principal is complete. We are pleased to announce the appointment of Pat Garner as Principal of Broomfield Academy, effective June 1. Please see the attached press release that will be sent out on May 5 for some advance information on Pat. Pat will be available to meet informally with parents on a number of occasions between now and the end of school. Next week, Pat will be available to meet and chat with parents between 2:00 and 4:30 pm on Monday, May 3rd and Thursday, May 6th. Feel free to come during that time to meet her and get to know her. Please review the separate [pdf file of our press release](#) welcoming Pat Garner.

Other operations work this week focused on meetings and preparations for summer programs: camp, the Jr. Kindergarten class, the Kindergarten Prep class and the summer Elementary Prep class. Enrollment in those programs is strong as is interest in the camp electives. Work was done to repair fences and gates. Rebar for the pool deck was laid and work began to run plumbing for the deck hose bibs.

Please feel free to contact me with any questions, concerns or suggestions you might have. I welcome your comments. A link to my email address can be found on the 'School' page of our website.

Michael Greenberg, Director of Operations
