

THE BROOMFIELD BULLETIN:
UPCOMING EVENTS AND ANNOUNCEMENTS

DR. VANESSA EWING
WEEK OF: MAY 11TH 2009

Tomorrow is our annual Field Day all morning. This is a wonderful way for our students to have fun with physical education, play games in the field, receive ribbons, and enjoy our warm weather. We will end our morning events with a special luncheon for all our students to enjoy. **Please remember to help your child apply sunscreen before school, bring their water bottle, and wear sturdy tennis shoes.** I am looking forward to seeing our students and parent volunteers in the morning! **Tomorrow we will also be engaged in our last community service project of the school year by collecting books and non-perishable food items for those in need in the Broomfield area.**

I hope you have a fun Field Day and upcoming weekend!

Regards, Dr. Ewing

Operations and Facilities Column

Spring landscape work was the focus for this week. Repairs were completed on various sprinkler systems and all of the watering systems are up and running. Considerable work was done with the spring cleanup, including weeding and mowing.

Following requests from parents and staff, an automatic gate closer was installed on the back gate from the parking lot. While it is a bit harder to open the gate with full hands, having the gate close automatically improves overall security and supervision, especially for our youngest children and for the siblings of our students, who are often present at pickup time.

The former Montessori preschool building was cleaned, following painting and upgrades to the flooring.

Please feel free to contact me or the front office with any questions, concerns or suggestions you might have. My email address can be found on the school website. Michael
