**BROOMFIELD
ACADEMY**

Dear Families,

We had a wonderful week with our final field trip of the school year to see Coppelia at the Broomfield Library Auditorium.

Due to unstable weather, Field Day is being rescheduled for Monday 9 - 11 am. If you are able to volunteer to help set up and help with events, please let Mrs. Shelley or the front office know. We are looking forward to a beautiful day on Monday. Our fun and athletic games and events will end at lunchtime with our school providing hot dogs and other food for our students to enjoy. Be sure your child comes to school Monday wearing sunscreen, good tennis shoes, and brings their water bottle.

Next Thursday is our last Spirit Day of the year with **Mismatch Day**. Students and staff may dress in mismatched articles of clothing, get a little creative, and have some fun.

Have a fun upcoming weekend. Kind regards, Dr. Vanessa Ewing

Junior Principal Report: Mr. Sam L (1st grader)

Sam won a special morning as Junior Principal as his chosen reward for earning many class tokens for good behavior. His report follows.

In math, the 1st grade has been doing symmetry and practicing handwriting. [As Junior Principal] I liked taking attendance and I was here for the open house. I also had snack. I liked being principal.

Operations and Facilities Column:

Pat Garner, recently named as Principal of Broomfield Academy, effective June 1, will be available to meet informally with parents on Monday, May 17th, between 2:30 and 4:30 PM. Feel free to come during that time to meet her. The press describing Pat's background can be found at <http://www.broomfieldacademy.com/pdf/GarnerPressRelease1004.pdf>.

Turnout for the May 13 Open House was particularly strong. While there continues to be strong interest in JK and K spaces, there has been a marked increase in the number of families whose children will be entering 1st through 5th grade in the fall.

Xcel Energy's work along Emerald St. and 1st Ave. should be completed early next week. Apparently, they are running an additional power feed from a substation on Wadsworth over to the new North Metro Fire District building, under construction next to the Broomfield Auditorium.

This week, work on the pool included adding hose bibs around the deck area and a major effort to pour the new concrete deck. A new deck drain system has been added as well. Next steps include, some electrical work and a number of inspections to determine when the pool will be open for use.

Please feel free to contact me with any questions, concerns or suggestions you might have. I welcome your comments. A link to my email address can be found on the 'School' page of our website. Michael Greenberg, Director of Operations

Events / Reminders:

Wanted: Uniform Shirts, Pants, Shorts, and Skirts in Good Condition. We continue to maintain a supply of uniforms at our school for current and new families in need but are running low. As you begin your spring-cleaning, please be sure to bring in any uniforms in good condition to share with others.

5/15 MS Walk Team: Broomfield Academy & Broomfield Academy Girl Scout Troop #340. Please join us at Boulder Reservoir at 9 a.m. (8:30 if you need to register still) for the MS Walk. We will meet at the official Team Tent.

5/17 Annual Field Day. Additional information was sent home regarding this very fun morning event including a wide range of sports events, contests, and outdoor fun. Please call the front office or email Julie Shelley at jshelley@broomfieldacademy.com to volunteer for this event.

5/27 Year-End Awards Program at 7 p.m. Location: Broomfield Library Auditorium.

5/28 Last Day of School, Talent Show, Yearbook Signing.

Broomfield Academy Enrollment Referral Program: Broomfield Academy families earn a \$500 academic tuition credit for each family they refer, and who subsequently attend the school for the majority of the academic school year. There is no limit to the number of credits each family can receive. The \$500 credit, per family referred, is applied equally to all remaining payments or can be carried as a credit towards future charges and fees.
