

**THE BROOMFIELD BULLETIN:**  
**2009 - 2010 SCHOOL YEAR-END EVENTS AND ANNOUNCEMENTS**

DR. VANESSA EWING

MAY 21, 2010

Dear Families,

Thank you for another amazing school year. The staff and I have appreciated all of your hard work and efforts throughout our time together.

On Monday, our annual Field Day was a huge success. Thank you to all of the volunteers and staff who gave their time and energy to this event. Julie Shelley did a fantastic job of coordinating and organizing this day. Thank you also to all the staff for their efforts to assure that everything went smoothly. Thursday, we had a lot of fun dressing **MiSmAtCh** for our last Spirit Day of the school year.

This week, the teachers have been busy finalizing the year-end reports and preparing for the summer camp programs. We are looking forward to sharing our year-end events with you throughout next week.

Next Thursday, at 2:00 p.m., our Kindergarten will be hosting their Kindergarten Graduation at the church Fellowship Hall next door. At 7:00 p.m., we will host our annual school wide Awards Program and Continuation Ceremony for our graduating 6<sup>th</sup> grade students at the Broomfield Library Auditorium.

On Friday, the students will spend time in their classrooms with their teacher from 8:30-9:00, then go to the church Fellowship Hall for the Talent Show. Beginning at approximately 11:00, we will enjoy a yearbook and autograph signing with students. Lunch will be at the usual time for your child. Families are welcome to pick up their children during or after lunch. After lunch and recess, the school will host a school-wide movie for students still with us in the Den. At 3:30 our Extended Day program will begin.

I wish you a wonderful upcoming weekend. I look forward to our last week of the school year with you. Have a wonderful upcoming summer! Warm regards, Dr. Vanessa Ewing

**Operations and Facilities Column:**

Work on the pool this week included cleaning and preparation of the new concrete deck, the installation of a new ladder and handrail and the completion of electrical grounding work in the

equipment room. The emergency exit lights and signs in the den and main school basement were replaced this week with more energy efficient versions. Carpentry work was done on the floor of the large sandbox and on the doors in second grade and the blue and white building.

A regular update of the staff succession planning matrixes for all positions was completed. A number of updates were made to the school website. Work to transition responsibilities to the new Principal, Pat Garner, at the end of this school year continues, with numerous meetings and reviews. Please feel free to contact me with any questions, concerns or suggestions you might have. I welcome your comments. A link to my email address can be found on the 'School' page of our website. Michael Greenberg, Director of Operations

### **Special Announcements:**

**Congratulations Murray R (1<sup>st</sup> Grade)!** Murray auditioned for a part in the "Joseph and the Technicolor Dreamcoat" dinner show held at Candlelight Dinner Theatre (located off of the Johnstown exit and I25 North) and was selected to be in the Children's Choir with acting and dancing involved. Murray will be in every show starting June 4 through August 22. Shows run every Thursday, Friday, Saturday and Sunday (matinees). This is going to be a very busy summer for Murray but he says "he can't wait to be on stage". With the help of his music teacher, Miss K (Broomfield Academy Music teacher) Murray is well on his way to acting, singing and dancing. Please visit [www.coloradocandlelight.com](http://www.coloradocandlelight.com) for ticket information. Murray would love to see you there sometime this summer!

**Boulder County Kids honors Alex B (3<sup>rd</sup> Grade) for her work to raise awareness for MS!** Her grandmother and father suffer from MS. Alex has participated in the MS Walk every year since she has been 2 years old. Her mother Marie has worked for the Colorado chapter for over 11 years. Her father Roger works at the MS Walk each year also and enjoys cheering participants on to the finish line, especially his daughter Alex. Broomfield Academy has been thrilled to help raise awareness for MS through fundraising and the MS Walk for the last four years in collaboration with the Beilfuss family.

**Broomfield Academy Enrollment Referral Program:** Broomfield Academy families earn a \$500 academic tuition credit for each family they refer, and who subsequently attend the school for the majority of the academic school year. There is no limit to the number of credits each family can receive. The \$500 credit, per family referred, is applied equally to all remaining payments or can be carried as a credit towards future charges and fees.
