

An individualized education helping children be exceptional, accelerated and creative

June 14, 2010

Dear families:

Broomfield Academy is off to a great start with its summer programs. Jack and the Beanstalk could have been found on campus last week. Gardening, creating golden eggs and acting in our improvisational class conducted by the Denver Center of Performing Arts made for an exciting and enjoyable week.

Ms. Liz introduced the children to water activities at our very own saltwater pool. Laughter and squeals of excitement could be heard as the children participated in the numerous activities Ms. Liz provided. We are looking forward to offering private and group lessons in the near future.

Jungle Quest was a big hit for our weekly field trip and the students are looking forward to the many outings the staff has planned for the summer.

If you need a change of pace, come and join us in our camp activities, prep classes for educational fun, and cool off with a splash in our pool. Details for each exciting week of our summer program can be found on our website at www.broomfieldacademy.com or call the school at (303) 469-6449.

Please mark your calendar for the first annual Broomfield Family BBQ and Pool Party that is scheduled for July 15, from 6-8 PM. You will receive a separate invitation to this PAC-sponsored event with RSVP information.

Please do not hesitate to contact the school if we can be of any assistance during the summer months.

I hope your summer is going well.

Pat Garner
Principal
Broomfield Academy
