

The Broomfield Bulletin
Administration Newsletter
Dr. Vanessa Ewing
Week of: December 7th 2009

Dear Families:

Thank you for participating in the Winter Gift Donation Program. We were able to fulfill all 9 children's wishes through your efforts.

Next Wednesday is School Spirit Day - Pajama Day - as a reward for all the hard work on the School Box Top Challenge. The winning class was Barb Mountain's Kindergarten. All of the students enjoyed this contest and did a terrific job. Today was the last day for sending in box tops. The school will be holding a new contest after winter break.

On Friday, each class will be hosting a winter party. Thank you for donating your time and effort for the class winter parties.

If you would like to purchase a student art calendar prior to break, please check with the front office. They are \$20 each and all proceeds go toward additional school programs and services.

If you are interested in joining our Winter Camp: Survivor, please call and register immediately. The camp will consist of fun games, challenges, field trips and activities. On Monday, we will announce whether winter camp will go on as planned. **The school requires a minimum enrollment of ten children per day. We have not yet reached minimum enrollment.**

I hope you have a terrific upcoming weekend.

Sincerely, Dr. Ewing

Operations and Facilities Column

Enrollment and registration materials for the 2010-2011 school year and all summer programs (Summer Enrichment Camp, Junior Kindergarten Program and the Elementary Prep Program) and 2010-2011 school calendar are complete and will be distributed before winter break. A draft contract and the 2010-2011 tuition schedule will be included in the packet. While final class configuration will depend on enrollment, we are planning to have a separate third grade classroom next year. While some classes may change rooms, we are planning for fall 2010 classes to be in the same rooms as are being used this year.

Facilities work this past week focused on cold weather-related projects. A water pressure regulation valve failed over last weekend, resulting in a boiler shutdown in the main school building on

Monday. The valve has been replaced and the system is working correctly once again.

Please feel free to contact me with any questions, concerns or suggestions you might have. I welcome your comments, positive and otherwise. A link to my email address can be found on the 'School' page of our website. Michael Greenberg, Director of Operations

Announcements:

Student Ambassador Program: We are starting a program for student leaders in each class that will serve as role models for other students through service learning, supporting and welcoming new or struggling students and helping each class focus on the virtue of the month. We will have lunch meetings and special event coordination planning throughout the school year. This is a wonderful way for our students to serve as a good friend and role model to others on campus. Our first meeting is scheduled for January 7th. If you would like your child to be involved in this program, please email Dr. Ewing at principal@broomfieldacademy.com.

Meeting Date -- Learning Community Book Club: We will be reading and discussing a variety of books related to education. Our 2nd book club meeting will cover chapters 7-12 and will be at 5:00 at Old Chicago on **Wednesday, January 13th**. Our book is *Letting go of Perfect* by Dr. Adelson and Dr. Wilson (2009) Prufrock Press Inc.

Broomfield Academy Enrollment Referral Program: Broomfield Academy families earn a \$500 academic tuition credit for each family they refer, and who subsequently attend the school for the majority of the academic school year. There is no limit to the number of credits each family can receive. The \$500 credit, per family referred, is applied equally to all remaining payments or can be carried as a credit towards future charges and fees.
